

INDEX OF VOLUME XV

Journal of the Cactus and Succulent Society of America
1943

Names of plants are spelled as given in the author's copy. The Journal has made every attempt to assure accuracy of all names used, but does not guarantee them to be so. Items in CAPITAL LETTERS indicate the title of an article. Page numbers in bold type (12) indicate an illustration of the item named. Only full names of persons are indexed. All plant names are in *Italics*. Major references are either in capital letters or have bold face figure references.
